4. Congestion Management Process

Curtis Bridges, CRTPO

CRTPO staff will seek feedback and input on potential congestion management strategies related to active transportation.

5. Bicycle Suitability Scope Update

Curtis Bridges, CRTPO

With the input of the BPWG, CRTPO staff have worked to define a scope for the Bicycle Suitability Map refresh. We will update the BPWG on scope elements as we move toward a consultant solicitation.

The 2016 Suitability mapping layers are available digitally here: <https://arcg.is/15O1Lm>
