Agenda

1. Introductions

2. Community Updates

Roundtable discussion of news, local projects, and planning/design challenges

3. Prioritization 7.0 Active Transportation Projects

Curtis Bridges, CRTPO
Travis Johnson, CRTPO

The BPWG is tasked with functioning as a subcommittee for P7.0 active transportation project submittals. A new and resubmitted P6.0 project list must be finalized for TCC and MPO approval. The submittal window for P7.0 will open in Fall 2023.

4. MTP Active Transportation Corridors

Curtis Bridges, CRTPO

CRTPO's 2050 MTP included and Active Transportation Corridor (ATC) Screening Tool, aimed at providing a regional-scale resource for member jurisdictions to help define specific projects to consider for funding opportunities. The 2050 MTP consultant team presented the ATC tool to the BPWG as it was being refined.

Ahead of significant work on the 2055 MTP, staff and the consultant team would like to request input from the BPWG to further refine the ATC tool.

A description of the Active Transportation Corridor Screening Tool can be found on Pg 133 of the MTP [here](#).

5. Other Topics, Looking Forward
